

Dine and Donate

JOIN US

December 5 & 6, 2020

Our local restaurants are donating a portion of their proceeds from your dining experience on these two nights. Kick off the season of giving by giving back to area charities.

Trophy Club Women's Club (TCWC) has distributed over \$90,000 to deserving Charities in our hometowns over the last three years. We invite you to HELP US/ HELP THEM. TCWC, in partnership with our local restaurants, is raising funds to respond to the ongoing Grant requests in our communities. With Dine and Donate success, we will stay on track to continue our mission of supporting those in need.

Reminders of the list of participating restaurants will be posted on our TCWC's Facebook and website two weeks prior to the event, and the morning of each day. Look for us on the Trophy Club marquees and Roanoke/Trophy Club town sites.

100% of proceeds/donations will be used for Grants in 2021.
